ABOUT ME

My name is Haley Ostrander, and I am a student at Fanshawe College taking Interactive Media Design. I'm currently employed part-time at Fanshawe College providing web development and design services to the Reactr program.

I also enjoy spending my time reading, exploring new music and going on adventures.

WORK

FANSHAWE COLLEGE WORK STUDY

2017 - PRESENT

During my time working at the school I have been given the opportunity to learn modern design and development skills outside of the classroom gaining exposure to an agency work environment

BULK BARN

2012-2017

Worked as a supervisor to ensure all money earned was in order and customer satisfaction was met.
